Market Sentiments:

Today TSE index increased about 73 units and reached the level of 78,969. The volume of trades was low equal to 767 million shares and 1,355 billion Rials respectively. Despite of relative negative atmosphere in the whole market TSE index grew due to the block transaction of some effective symbols in the last hours of the market. Today "Khesapa" opened with around 15% price decrease and following that the pressure of supply increased in the auto industry. Metal industry experienced a positive condition and some of the group companies had the buying queue and some were traded in high positive percentages. Today also "Margham" opened with around 30% price decrease.
